

Doctoral Symposium 2026

NIIT University, Neemrana, Rajasthan (17-18 April 2026)

NIIT UNIVERSITY
THE UNIVERSITY OF THE FUTURE

3rd Doctoral Symposium

The Third Doctoral Symposium is a continuation of the series of Doctoral Symposia organized by NIIT University (NU), aimed at providing a common platform for participants to interact with researchers, technologists, and engineers from academia, research laboratories, and industry. The symposium facilitates meaningful discussions, knowledge exchange, and collaboration among scholars working in cutting-edge research areas. The Third Doctoral Symposium, scheduled for April 17-18, 2026, will provide a unique opportunity for researchers to present and discuss their research in niche areas such as Artificial Intelligence and Data Science, Cyber Security, Quantum Computing, Theoretical Computer Science, and Applied Mathematics. NIIT University organized its First Doctoral Symposium on September 23-24, 2017, and the Second Doctoral Symposium on April 6-7, 2019, focusing on the broad domain of Computer Science and Engineering. These events were organized with the objective of providing a common platform for scientists, technologists, engineers, and doctoral researchers to present and discuss their research contributions. Both editions attracted a significant number of researchers who presented their work in various areas of Computer Science and Engineering and engaged in fruitful academic discussions. The Third Doctoral Symposium aims to further strengthen this tradition by bringing together researchers working in emerging and specialized domains. The symposium will provide participants with an opportunity to interact with potential collaborators and employers from academia, research laboratories, and industry, while gaining valuable research insights from leading experts in their respective fields. During the symposium, several invited lectures and master classes are proposed to be organized. The keynote and invited speakers will include eminent researchers, scientists, and technologists from across the country and abroad, who will share their expertise and perspectives on emerging trends and future research directions.

NIIT UNIVERSITY INVITES :

NU invites high quality contributions from

- » PhD students who have completed a minimum of three years in their PhD program and expect to submit their thesis within a year from the institutions of national importance and premier universities.
- » Young Faculty members with 1-3 years of experience post-PhD from reputed research institutes and universities.

RESEARCH AREAS :

- » Artificial Intelligence and Data Science
- » Cyber Security
- » Quantum Computing
- » Theoretical Computer Science, and Applied Mathematics

PROCESS OF SUBMISSION :

Participant intending to present a paper in the symposium should email the following to doctoralsymposium2026@niituniversity.in

- » An extended abstract consisting of research aim, brief literature survey, problem formulation, solution methodology and significant conclusion in MS Word format and 12 points Times New Roman font with Title of the Paper, Author Details, Author's affiliation, Email ID and Contact number.
- » A copy of the best paper that you have published in peer reviewed conference/journal
- » The selection will be based on quality of research work done during the PhD program as well as post-doctoral work. Based on the reviewer's recommendation, an acceptance notification will be sent to the participant.
- » There will be no formal proceeding of this symposium. All abstracts, along with the contact information, will be shared with all participants at the symposium

ADVISORY COMMITTEE :

- | | |
|------------------------------|---|
| » Prof. Prakash Gopalan | » Prof. Vijay Mandke |
| » Prof. Parimal Mandke | » Prof. Debashis Sengupta |
| » Prof. Vandana Suhag | » Prof. Shakti Kundu |
| » Maj. Gen (Retd.) A K Singh | » Dr. Anand Kumar Mishra (Organizing Secretary) |

: Important Dates :

Submission Deadline: 31st March 2026

Notification of Acceptance: 08th April 2026

Symposium Dates: 17th-18th April 2026

: SPEAKERS :

Invited speakers are eminent professionals from leading MNCs and premier institutes and universities. They are widely recognized for their significant contributions to research in the field of Computer Science.

- | | |
|--|---|
| » Padma Shri Prof. Deepak B Phatak
Prof. Emeritus, IIT Bombay | » Prof. Santanu Chaudhury
Dean, School of Advanced Computing, Ashoka University |
| » Prof. Rajeev Shorey
Director, IIIT, Surat | » Dr. Sohumi Sohoni
Director, Hyderabad Institute of Technology and Management (HITAM) |
| » Prof. Supratim Biswas
Prof. (CSE), IIT Bombay | |

: VENUE :

The Symposium will be held at NIIT University. The picturesque 100 acre green campus with world class infrastructure, located in the backdrop of Aravali hills at Neemrana and can be reached in 90 minutes from the Delhi Airport.

: TRANSPORT :

All selected doctoral students will be reimbursed to and fro AC-II fare from their home institution. Local transport from Delhi/Jaipur to Neemrana and back will also be provided. **There is no registration fee for the symposium.** Lodging and boarding will be provided on the NIIT University campus.
